“Shoot,” I muttered when the paper sliced my finger; I pulled it out to examine the damage. A single drop of blood oozed from the tiny cut.

It all happened very quickly then. Edward threw himself at me, flinging me back across the table...

Dazed and disoriented, I looked up from the bright red blood pulsing out of my arm—into the fevered eyes of the six suddenly ravenous vampires.”

For Bella Swan, there is one thing more important than life itself: Edward Cullen. But being in love with a vampire is more dangerous than Bella ever could have imagined. Edward has already rescued Bella from the clutches of an evil vampire, but now, as their daring relationship threatens all that is near and dear to them, they realize their troubles may just be beginning....
